FATHER BROWN INVESTIGATIONS

A LITTLE BIT ABOUT US

We are a group of Chesterton and board game fans guided by the principle that *eutrapelia*—the classic virtue of playfulness and pleasantness—is more than ever needed in the world today.

DESIGN PRIDE

Our game is rigorously designed and play-tested, and features unique, hand-drawn artwork on every single card. It also features the kind of humor, wit, and wisdom emblematic of Father Brown and his creator, G. K. Chesterton.
